

## *Wedding Florals by Birdsnest Blooms.*

*Congratulations on your engagement! We are thrilled to be a part of your wedding. Birdsnest Blooms is a specialty cut flower grower on Virginia's Eastern Shore. We provide fine floral design for weddings and events, incorporating our own blooms and botanicals whenever possible, to create a unique and stunning flower selection. Our blooms will add distinction to your most special day and make a classic & beautiful statement. We can grow flowers particularly for your wedding! We can also procure blooms from other sources to accommodate your special vision.*

*We consider the bridal bouquet to be the most important arrangement we will make, and it will inspire all other choices. We can't wait to learn more about your preferences!*

*To start down the aisle with Birdsnest Blooms please review this information and return the Wedding Information Questionnaire to [katherine.campbell@birdsnestblooms.com](mailto:katherine.campbell@birdsnestblooms.com)*

*After we receive your questionnaire we will call you to clarify any details we need and then reply with a written estimate based on your selections. Once you review your estimate we can schedule an in-person consultation to make any adjustments. There may be times when we need to work within budget constraints and we can be creative in coming up with solutions to create beautiful florals for your perfect day.*

*Before the wedding, you as the bride know all about the dresses, the food, the music, the guests....your big surprise and delight on your wedding day is experiencing with your groom, family and guests the beauty that flowers and creativity bring to your very special celebration!*

*You'll love our blooms!*
